Reply to Mike's Post:  
The Car is a 2003 Audi  
TT with a Concert radio  
system. The car was  
purchased used from  
World Imports, a used  
car dealer. It has been  
regularly serviced at  
the Audi dealer for the  
last 18-20 months that  
we have had the car.

The serial for Audi concert radios is located on the back of the unit, this means removing the radio from the dash is needed to gain access to the radios label. To do this is easy, all you need is a set of radio release keys, these inexpensive tools are available in most car parts stores or online at Amazon.
