physical chemistry background, and the use of the “Tools of Biochemistry” feature to underscore the experimental nature of biochemistry. This edition has been comprehensively and consistently updated to present the current developments in a rapidly evolving field.

Test Bank for Biochemistry 4th Edition by Mathews - Shop ...

Still, biochemistry instructors and students continued to ask when and whether a fourth edition might appear. While Chris Mathews was interested in revising and updating the book, his previous coauthors were unable to commit to a project of this magnitude, and so the search began for a new author team.
