The Complete Idiot's Guide to Project Management. You don't have to be an MBA to learn the principles of project management! This book gives you comprehensive, easy-to-understand guidelines for getting your projects done on time and under budget.

The Complete Idiot's Guide to Project Management by Sunny ...

I'm giving this book two stars only because the title is misleading. It is not a complete guide to project management. This book was required reading for a fundamentals project management course I took. (My first exposure to PM) Although the author is experienced, this book serves only as an outline for what project management is.
