Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Financial Modeling 3rd Edition Toc

I've learned a great deal from the first two editions of Simon Benninga's Financial Modeling, and the Third Edition offers both new topics and updated coverage of topics from earlier editions. The book gives clear, well-illustrated instructions for using Excel software to solve finance problems, ranging from basic to highly sophisticated, in both corporate finance and investments.
