Utopia - IB Business Management

Business management studies business functions, management processes and decision-making in contemporary contexts of strategic uncertainty. It examines how business decisions are influenced by factors internal and external to an organization, and how these decisions impact upon its stakeholders, both internally and externally.

Business management guide

My personal view is that Business Management is not a very rigorous course in IB. Even if you want to pursue Business in College, colleges may consider you a stronger applicant if you take BM SL and Physics HL. Of course, if there is any subject that you feel strongly about, certainly take them.

I'd like to study in the area of business, what IB ...
