VW Technical Guide from ...

H30/31 with the 009. Soooo, It depends on your distributor. If you are running an 009 keep the H30/31. If you have a SVDA distributor, I would recommend the 34-3. The H30/31 ran ok with both distributors but a 34pict3 will not run for crap with a 009. Hope this helps.
